Ship Chartering and Brokering

Dashlane Corp Pvt. Ltd. embraces the ancient yet highly efficient mode of maritime transportation, delivering unparalleled services in ship chartering and brokering. Our goal-oriented approach combines meticulous attention to detail, extensive knowledge of the marine sector, and the integration of smart, technology-driven tools to ensure timely and quality-controlled operations. Despite our recent entry into the industry, Dashlane Corp passionately provides optimal solutions for ship charters, brokers, and owners through innovative digital tools and data analytics applications.

As a vital link in the bulk sector, we transport diverse commodities, like cement, coal, Iron ore, bauxite, crude oil, agro products, dry fertilizers, etc., worldwide, alleviating concerns for our clients with a seamless and efficient process.

Ship Chartering and Brokering

Dashlane Corp Pvt. Ltd. excels in maritime solutions, providing a spectrum of ship chartering and brokering services globally:

- **Ship chartering**
- **Ship sale and purchase**
- **Vessel valuation**
- **Cargo trading**
- **Research and consultancy**

Our expertise extends worldwide, delivering these services with precision and excellence to clients across the globe.

Energies and Minerals

Dashlane Corp Pvt. Ltd. stands as a key player in the dynamic sector of energies and minerals, offering a comprehensive range of products. From **crude oil**, **coal**, **bauxite**, **natural gas**, **iron ore**, to **clinker** and beyond, our diverse portfolio caters to the global demand for essential resources. With a commitment to excellence, we ensure a seamless supply chain, sourced directly from the mines, meeting the energy and mineral needs of our clients worldwide.

Metals and Alloys

Dashlane Corporation Pvt Ltd takes the lead in the metals and alloys industry, presenting a versatile array of top-quality materials to meet the diverse needs of various sectors. Our comprehensive portfolio includes

- Cold-rolled steel sheets
- Hastelloy
- Galvanized iron
- Mild steel
- Lithium foil
- Lithium monohydrate
- Lithium hydroxide
- and many more

At Dashlane Corp, we don't just offer metals and alloys; we deliver reliability, performance, and a vision for the future of materials. We can offer metals and alloys of any requirement our client desires.

Agro- Processed Commodities

Our portfolio includes premium **animal feeds** such as **soybean meal**, **maize gluten**, and **fish meal**. Additionally, we provide high-quality **raw cotton**, **sugar** and **by-products**, including **palm oil**. Committed to excellence, we ensure a seamless supply chain, meeting the varied needs of our clients worldwide. Step into a realm where Dashlane Corp is at the forefront of delivering top-notch agro-processed commodities, from specialized animal feeds to essential agricultural goods, with precision and reliability.

Agro-Processed Commodities
